

IEEE INFOCOM 2011 Shanghai, China

IEEE INFOCOM 2011, April 10-15, Shanghai, China

THE 30TH IEEE INTERNATIONAL CONFERENCE ON COMPUTER COMMUNICATIONS
10-15 April 2011, International Convention Center, Shanghai, China

<http://www.ieee-infocom.org/>

CALL FOR PARTICIPATION

This year's conference highlights include an outstanding technical program on recent advances in computer communications and networking comprising :

- 291 papers in the main conference program and 126 papers in the mini-symposium
http://www.ieee-infocom.org/program_advance.html
- Keynote address by Bill Huang, General Manager, China Mobile Research Institute
- Three panels, including one all-conference panel on "Internet of Things" and two other panels on "The Challenges of Cloud Computing" and "Sustainable Computing and Networking"
- NSF information talk: SEES (Science, Engineering and Education for Sustainability)
- Six half-day workshops and seven full-day workshops
- Training session on Practical Wireless Communications Engineering
- Demo and poster session
- Student activities program
- The INFOCOM Achievement Award and Best Paper Award

EXECUTIVE COMMITTEE

GENERAL CO-CHAIRS

Lionel M. Ni, Hong Kong University of Science and Technology
Wenjun Zhang, Shanghai Jiao Tong University

STANDING COMMITTEE CHAIR

Harvey Freeman, HAF Consulting, Inc.

TECHNICAL PROGRAM CO-CHAIRS

Byrav Ramamurthy, University of Nebraska-Lincoln, USA
Jie Wu, Temple University, USA
Qian Zhang, Hong Kong University of Science and Technology

GENERAL VICE CHAIR

Minglu Li, Shanghai Jiao Tong University

LOCAL ARRANGEMENT CHAIR

Yanmin Zhu, Shanghai Jiao Tong University

PATRONS

国家自然科学基金委员会
National Natural Science Foundation of China

SPONSORS

上海交通大学
SHANGHAI JIAO TONG UNIVERSITY
